

# Aleem Ullah Zohaib

## PERSONAL INFO

DOH-licensed pharmacist with three years of professional experience in prescription processing, drug therapy management, and patient counselling. Fluent in English, Urdu and Hindi and currently improving Arabic. Adept at ensuring regulatory compliance, inventory management, and providing customer-focused care. Seeking opportunities in Abu Dhabi or Al Ain to contribute to dynamic healthcare teams and improve patient safety.

## SKILLS

- Prescription Processing & Dispensing:** Expert in compounding, dispensing, and processing prescriptions per physicians' directives.
- Patient Counselling:** Strong communication skills in English, Urdu, and Hindi, with proven experience advising patients on medication usage, side effects, and interactions.
- Health Screenings:** Experienced in conducting blood pressure and blood sugar tests, offering wellness advice to patients.
- Regulatory Compliance:** In-depth understanding of DOH (HAAD) regulations and adherence to pharmaceutical industry standards.
- Pharmacy Operations & Inventory Management:** Proficient in maintaining records of controlled substances, removing expired drugs, and ensuring safe pharmacy practices.
- OTC Sales & Upselling:** Experienced in cross-selling and upselling medications, with a customer-focused approach to increasing sales.
- Language Proficiency:** Fluent in English, Urdu, Hindi; improving Arabic skills to enhance communication in UAE pharmacies.
- Technology Skills:** Proficient in Microsoft Office and pharmacy management software, with experience in electronic health records (EHR) systems.
